Sporting Life 10k Road Closures Sunday, May 13, 2018

On May 14th, we invite you to cheer on over 23,000 participants that are out to make a difference in the lives of children affected by childhood cancer in this year's Sporting Life 10k, as they run and walk down Yonge St. fundraising over \$2.2 million for Camp Oochigeas. This is one of Canada's premier running events with the largest net proceeds going to charity.

RUN START TIME - 7:30AM

Road Closures:

Fort York Blvd* will be closed from Bathurst Street to Lakeshore Blvd from 4:30AM until 12:30PM.

- Local access will be available to Fort York Blvd area condominiums.

Yonge Street will be closed from Lawrence Avenue to Eglinton Avenue from 4:30AM until 10:00AM.

Road closures will be in effect from 7:15AM –11:30AM. The streets will re-open as soon as the last participant passes through each section and the Toronto Police Department deems it safe to re-open the roads.

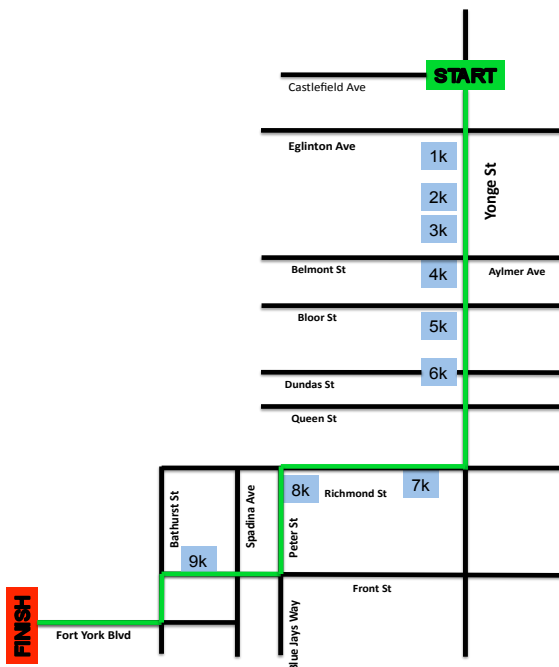

1. Yonge Street between Eglinton Avenue and Richmond Street
2. Richmond Street between Yonge Street and Peter Street
3. Peter Street/Blue Jays Way between Richmond Street and Front Street
4. Westbound Front Street between Blue Jays Way and Bathurst Street (Eastbound traffic will be permitted from Spadina Avenue)
5. Bathurst Street between Front Street and Lakeshore Boulevard
6. Fleet Street from Strachan Avenue to Fort York Boulevard

Vehicles will be allowed to cross at major intersections when deemed safe by police officers on duty. Expect the longest delays between 7:30AM-10:00AM. If possible, it is best to avoid crossing Yonge Street, during these hours.

560/580 Front Street* - Traffic will exit eastbound from 560/580 Front Street turning northbound on Portland Street to King Street. Lakeshore Blvd. access is from Strachan Avenue.

Fort York Blvd between Bathurst Street and Fleet Street*- The northbound curb lane of Fort York Blvd will be maintained from Fleet Street to Bathurst Street for vehicles travelling in a clockwise direction. Police will assist at the intersections.

Fort York Blvd between Bathurst Street and Spadina Avenue* - There will be no access to Bathurst Street via Fort York Blvd. Traffic will be allowed to proceed eastbound from Bathurst Street to Dan Leckie Way or Spadina Avenue. No westbound traffic from Dan Leckie Way to Bathurst Street. East and westbound traffic can utilize Iceboat Terrace to loop around to exit at Dan Leckie Way or Spadina Avenue.

For downtown east-west traffic: travelling EASTBOUND please use the Gardiner Expressway to the Jameson, Spadina or Jarvis exits and travelling WESTBOUND, use Jarvis, Spadina or Jameson exits to avoid delays at Lakeshore. Avoid using the Bathurst, Spadina, or Rees exits if travelling north of Front Street.

Your understanding is appreciated and we apologize in advance for any inconvenience.
