Healing through happiness for kids affected by childhood cancer or serious illness.

On May 14, join your neighbours to cheer on the more than 15,000 Torontonians and their friends as they run, walk and move in support of Campfire Circle, a charity that supports kids and families affected by childhood cancer or serious illness.

Campfire Circle provides healing through happiness to thousands of children and their families through year-round camp-inspired in-hospital programs, community activities and overnight camps.

Since 2000, more than \$23 million has been raised for Campfire Circle through the Sporting Life 10K. During the pandemic, more than a thousands kids were diagnosed with cancer. The need is greater now more than ever, especially as we expand to serve more children across Ontario.

Support Campfire Circle to ensure kids and families have access to these vital programs that promote overall wellbeing and reduce feelings of isolation.
